Native speakers Hannah, Tom, Kasim and Benjamin - young teachers from Scotland, England and Ireland - welcome to NMS Geinberg!

Students from 3rd and 4th forms speak, listen, chat, play and act out scenes in English!

Here are the reasons WHY:

We can have FUN, play GAMES,

do different language activities, do UK SPORTS like "bench ball"

make new FRIENDS, chatting in English is exciting,

speak fluently. This will BOOST our English communication SKILLS.

We put what we've learnt into practise,

create and ACT OUT SCENES on stage.

No more fears of making mistakes!

The highlight at the end of the week:

A show for our special guests- our sponsor company FILL (Gurten), parents, teachers and schoolmates. Thanks for coming and watching!

Challenge is motivating.

You will build up your "muscle memory" like athletes and musicians do!

The most effective learning still happens face to face!

We had a fantastic week!
